¹ Fall and Spring Semesters only

² Master of Global Innovation Management approved at premium rate effective 2008-2009

³ Master of Supply Chain Engineering and Management proposed premium rate degree program effective 2011-2012

⁴ Bachelor of Architecture, Master of Architecture and Master of Graphic Design approved at premium rate effective 2006-2007

⁵ Master of Landscape Architecture, Master of Art and Design and Master of Industrial Design approved at premium rate effective 2008-2009

⁶ Master of Advanced Analytics (established in 2007) proposed premium rate degree effective 2011-12

⁷ Master of Financial Mathematics proposed premium rate degree program effective 2013-2014

⁸ Master of Science in Computer Engineering, Master of Science in Electrical Engineering, Master of Science in Electric Power Systems Engineering, Master of Science in Computer Networking (ECE) & (CSC), Master of Computer Science approved at the premium rate effective 2014-2015

⁹ Master of Science in Chemical Engineering and Doctorate of Design approved at the premium rate effective 2017-2018

¹⁰ Master of Biomedical Engineering proposed at the premium rate effective 2018-2019

General Statute 116-143 (a): The Board of Governors of the University of North Carolina shall fix the tuition and fees, not inconsistent with the actions of the General Assembly, at the institutions of higher education enumerated in G.S. 116-4 in such amount or amounts as it may deem best, taking into consideration the nature of each institution and program of study and the cost of equipment and maintenance; and each institution shall charge and collect from each student, at the beginning of each semester or quarter, tuition, fees, and an amount sufficient to pay other expenses for the term.
